In order to provide the secretariat with the necessary material to prepare the background document for the fifteenth annual review of the implementation and operation of the Agreement, signatories are invited to update any information they may have regarding their implementation and administration of the Agreement during the period since the last annual review was carried out (TBT/37) and to forward the information to the secretariat before 20 September 1994.

The information includes, *inter alia*, (under item 2.1 of the document relating to Article 15.7) any legislative, regulatory and administrative actions which have been taken by Parties since the last annual review to implement the provisions of the Agreement; and (under item 8.3), the number of enquiries received and of requests answered by enquiry points of individual Parties.
