The Chairman of the informal group of less-developed countries in GATT has the honour to inform the delegations of less-developed countries that a meeting of the group will be held on Monday, 20 June at 10 a.m. in Room D, in the International Labour Office, Geneva. At this meeting the group will continue the discussion initiated at its previous meeting concerning suggested procedures for negotiations of concessions, on a most-favoured-nation or preferential basis, among less-developed countries for the purpose of promoting the expansion of their mutual trade.

As has been pointed out, the group of representatives of less-developed countries is of an informal character. Its meetings are open to all developing countries in GATT, and attendance is on a voluntary basis. They are usually convened at short notice and less-developed countries not maintaining delegations in Geneva will appreciate that invitations to such meetings may not always reach them in time. The minutes of the meetings of the group are sent to the permanent missions or liaison officers of all less-developed countries.
