The Chairman of the informal group of less-developed countries has the honour to inform the delegations of less-developed countries that a meeting of the group will be held on Wednesday 6 July at 10.00 a.m. in Salle XV, in the Palais des Nations, Geneva.

The purpose of the meeting is to afford an opportunity to the group of less-developed countries to exchange views on matters to be taken up by the Trade Negotiations Committee at its meeting on 8 and 9 July 1966 and other related matters of interest to less-developed countries.

As has been pointed out, the group of representatives of less-developed countries is of an informal character. Its meetings are open to all developing countries in GATT, and attendance is on a voluntary basis. They are usually convened at short notice and less-developed countries not maintaining delegations in Geneva will appreciate that invitations to such meetings may not always reach them in time. The minutes of the meetings of the group are sent to the permanent missions or liaison officers of all less-developed countries.
