The Chairman of the informal group of developing countries in GATT has the honour to advise that the meeting of the group scheduled for Friday 2 June 1967 will be postponed.

It has been learned that the draft schedules of tariff concessions of certain major developed countries might not be available on 31 May as originally envisaged and it has been thought that the informal group meeting could more fruitfully be held at a later date. The Chairman will communicate with the delegations of developing countries as soon as he can fix a date for the meeting in the light of developments.
