Course Stipends

For your information and guidance regarding your cooperation in the Trade Centre/Dag Hammarskjöld Foundation Training Course in Export Promotion:

1. The stipends already received by the African students on the St. Gall course are as follows:

   - United Kingdom: 120 Pounds
   - Netherlands: 960 Guilders
   - Ireland: 100 Pounds
   - Italy: 210,000 Lires
   - Switzerland (Geneva): 1,440 Francs
     - 1st month: 1,200 Francs
     - Subsequent months: 1,095 Francs
   - Switzerland (St. Gall): 2,155 Kroners
   - Sweden: 2,155 Kroners

2. The stipend paid to a student is a monthly allowance intended to cover the cost of the student's lodging, board and essential incidentals such as laundry, daily local transportation, etc. The stipend is not a salary or an honorarium. It is not intended to cover the student's continuing expenses at home for himself or for his family. During the student's absence abroad his government normally continues payment of his salary or allowances at home.

3. If it is necessary to make any long distance journeys within the country in connection with the fellowship programme such journeys may be arranged directly by the export installations concerned provided that the total cost does not exceed the equivalent of $50 per student for one month. Prior authorisation must be obtained from the GATT Administrative and Financial Division for expenditure in excess of the equivalent of $50. Reimbursement of the cost can be obtained from the GATT Administrative and Financial Division. Detailed claims must reach the GATT by 27 October 1967. No claim can be accepted after that date, because the sponsors cannot reimburse the GATT for claims received thereafter insofar as they are bound by their accounting requirements.
