Dear Sir,

We are enclosing a provisional document entitled "Manufacturing, Trading and Product Promotion Organizations in Selected Countries". The organizations have been selected according to the criteria outlined in the introduction.

We intend to distribute this document to liaison agencies so that it may be of assistance to exporters of the less-developed countries who are trying to find outlets for their products.

However, before issuing it as a final document, we are anxious that the lists be both accurate and complete. We are therefore writing to you to ask for your assistance in this matter.

Would you be kind enough to check the list which concerns your own country? Possibly some of the addresses are no longer valid; or you may wish to add the names of other organizations that we have missed out.

We should like to produce this document in final form in the near future and would be grateful if you could give it your prompt attention.

Thanking you for your co-operation,

Yours faithfully,

H.L. Jacobson
Head, International Trade Centre
