We are pleased to inform you that limited customs privileges have been extended by the "Direction générale des douanes" in Bern to leaders of delegations attending the twenty-sixth session of the Contracting Parties which have neither diplomatic nor consular representation in Switzerland.

The "Direction générale des douanes" is therefore prepared to grant to the leader of each delegation concerned the name of the leader of each delegation concerned or the name of the person remaining permanently in Geneva for the duration of the session who will be designated to deal with this question on behalf of the leader of the delegation.

Would you kindly let us know in writing, at your earliest convenience, the name of the person who will be responsible for this matter so that the Swiss customs authorities can be notified accordingly.
