Sir,

I have the honour to inform you that in accordance with the procedure adopted at the Seventh Session of the CONTRACTING PARTIES (Cf. L/67/Rev.1 and L/74) the Ad Hoc Committee on Agenda and Intersessional Business will meet on Monday, 17 August 1953, at 3 p.m. in the Palais des Nations, Geneva.

The Committee will consider what matters are likely to arise at the Eighth Session and examine the adequacy of documentation available. It will also make any other appropriate recommendations regarding the business of the Eighth Session. An advance agenda (G/46) has been circulated to all contracting parties and will serve as a basis for discussion. It includes the items which according to records and information available to the secretariat should be placed on the provisional agenda for the Eighth Session.

Although not a member of the Committee your Government is invited to be represented by an observer at the forthcoming meeting. If your Government desires to be represented you are requested to notify the secretariat the name of the observer whom you propose to send.

Accept, Sir, the renewed assurances of my highest consideration.

E. Wyndham White
Executive Secretary
