The Working Party on Schedules agreed (W.9/227) on 25 February 1955 to the incorporation in the Draft Fourth Protocol of Rectifications and Modifications of a rectification proposed by the Cuban delegation (W.9/222) provided no objections were raised by 28 February 1955. One delegation objected to the incorporation in the Draft Protocol because of lack of instructions, and the rectification was consequently not included in the text presented to the CONTRACTING PARTIES (MGT/15/55 and Corr.1).

The secretariat has been informed by the two delegations that agreement has now been reached. It is therefore, suggested that, if the CONTRACTING PARTIES agree, the attached page "10 A" be inserted in the Draft Fourth Protocol of Rectifications and Modifications.
Item 315

The description shall read:

"Hose of rubber or synthetic rubber, or with mixtures of other material, or of other material only, simple or reinforced with wire, except those made entirely or principally of plastic material, whether simple or reinforced."
