Dear

In accordance with Airgram No. GATT/AIR/64 dated 7 June 1955, a copy of the schedules annexed to the Protocol of Terms of Accession of Japan is transmitted herewith.

The secretariat is undertaking the preparation of photo-offset copies of the Protocol and the annexed schedules (including translations of the authentic texts where necessary) in separate English and French volumes. In order to enable the Executive Secretary to determine the quantity of English and French volumes to be printed, it would be appreciated if contracting parties would inform him not later than 8 July 1955 of the number of copies they will require. The price of each volume will not exceed $1.00.

I should be grateful if you would convey this information to your Government with the least possible delay in order that the secretariat may proceed with the preparation of this publication.

Yours sincerely,

J. Royer
Deputy Executive Secretary.
