Dear Sir,

You will recall the discussion at the meeting of the Intersecional Committee on 23 June on the convening of the Intersecional Working Party on Plans for Tariff Reduction. It was the view of the Committee that the Working Party should meet on 29 June, and accordingly I am convening the meeting for 11 a.m. on that day. The meeting will be held in Salle XV at the Palais des Nations.

Yours faithfully,

E. Wyndham White
Executive Secretary
