SIXTH PROTOCOL OF RECTIFICATIONS AND MODIFICATIONS

SCHEDULE XX - UNITED STATES

The Government of the United States requests that the following rectifications of, and additions to the rectifications and modifications set forth in MGT/111/56 of August 1956 be included in the Protocol to be drawn up at the Eleventh Session.

SCHEDULE XX - UNITED STATES (GENEVA-1947)

Part II - Preferential Equitable to Products of Cuba

Item 502 /First/

The modification of an item 502 in Part II set forth in MGT/111/56 is a modification of item 502 /First/ in that part.

SCHEDULE XX - UNITED STATES (ANNEXY)

Part I - Most-Favored-Nation Tariff

Item 501

This item shall be deleted.

Note. This item has been superseded by item 501 in Part I of Schedule XX - United States (Torquay).

SCHEDULE XX - UNITED STATES (TORQUAY)

Part I - Most-Favored-Nation Tariff

Item 502

The rate in this item as set forth in MGT/111/56 should be "0.6625 cents per pound of sugars".

SCHEDULE XX - UNITED STATES (GENEVA-1956)

Part I - Most-Favored-Nation Tariff

Item 38

The words "and not including wattle" shall be deleted from the parenthetical clause in the description.

MGT/111/56/Add.1
English only
Note. Since wattle is a tanning extract which is specially provided for in paragraph 38 of the Tariff Act of 1930, as amended, and the concession is on extracts "not specially provided for", the specific exclusion of wattle but of no other tanning extracts specially provided for raises questions as to whether such other tanning extracts might be included in the concession, which was not the intention.

Item 776

The rate in column C of this item shall be "0.625".

Note. The rate in the schedule is a typographical error, the above rate being that appearing in the bilateral exchange of final offers.

Item 1503 /second7

The proviso to this item shall read:

"Provided, That for
the purpose only
of applying the
second proviso of
paragraph 1503,
Tariff Act of 1930,
to articles composed
of beads or spangles,
each rate of duty
'existing' (within the
meaning of section 350,
Tariff Act of 1930, as amended) on January 1 1955, shall be reduced to .................

95% of the 90% of the 85% of the
rate "ex- rate "ex- rate "ex-
isting" on isting" on isting" on
January 1 January 1 January 1 1955 1955 1955"

Note. This rectification will make the wording of this proviso consistent with the similar provision in item 1527(a) of the same schedule and with the proviso to item 1503 /third7 in Part I of Schedule XX (Geneva-1947), as rectified.
