DECLARATION ON THE PROVISIONAL ACCESSION OF THE
SWISS CONFEDERATION TO THE GENERAL AGREEMENT ON
TARIFFS AND TRADE

PUBLICATION OF FINAL TEXTS

The Executive Secretary of the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade presents his compliments and has the honour to advise that the Declaration on the Provisional Accession of the Swiss Confederation to the General Agreement, which contains the results of the tariff negotiations between contracting parties and Switzerland, will be prepared for publication in the near future. One certified true copy of the Declaration will be sent to the Minister for Foreign Affairs of each contracting party.

In addition to the certified true copy thus forwarded the secretariat will make available additional copies at cost price to any contracting party which so requires. There will be an immediate publication of the authentic text of the Declaration and copies of this edition are expected to be available by 12 December. Furthermore, as soon as translations are provided for the lists of concessions annexed to the Declaration the secretariat will have an English and a French edition of the instrument prepared. These single language editions will necessarily be ready somewhat later depending upon the receipt of the translations from the governments concerned. The price of each copy, regardless of language (English, French, or bilingual authentic text), will be 4.25 Swiss francs (or $1.00) for governments and 8.50 Swiss francs (or $2.00) for the public.

It would be appreciated if your Government could place its order by completing the attached order form and returning it to the secretariat before the close of the session at the latest if the copies of the edition containing the authentic text are desired, or else by 1 December if copies of the English and/or French editions are desired.
