PROTOCOL RELATING TO NEGOTIATIONS FOR
THE ESTABLISHMENT OF NEW SCHEDULE III - BRAZIL -
TO THE GENERAL AGREEMENT ON TARIFFS AND TRADE

The Executive Secretary of the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade presents his compliments and has the honour to advise that the Protocol to the General Agreement, which contains the results of the tariff negotiations between contracting parties and Brazil, will be prepared for publication in the near future. One certified true copy of the Protocol will be sent to the Minister for Foreign Affairs of each contracting party.

In addition to the certified true copy thus forwarded the secretariat will make available additional copies at cost price to any contracting party which so requires. There will be an immediate printing of the authentic text of the Protocol and copies of this edition are expected to be available by 19 January 1959. Furthermore, as soon as translations are provided for the lists of concessions annexed to the Protocol the secretariat will have an English and a French edition of the instrument prepared. These single language editions will necessarily be ready somewhat later, probably early February, depending upon the receipt of the translations from the governments concerned. The price of each copy, regardless of language (English, French, or bilingual authentic text), will be two Swiss francs (or $0.50) for governments and four Swiss francs (or $1.00) for the public.

In the event that it will be necessary to draw up a Procès-Verbal to include the results of concessions that are not completed in time for inclusion in the Protocol, copies of any such Procès-Verbaux will be distributed to governments in the same manner and quantities in which they will have indicated on the attached order form concerning the Protocol. There will be no additional expense or charge made for publications or its despatch.

It would be appreciated if your Government could place its order by completing the attached order form and returning it to the secretariat at the latest by 9 January 1959 if the copies of the edition containing the authentic text and of the English and/or French editions are desired.
