OFFICE ACCOMMODATION DURING THE FOURTEENTH SESSION OF THE CONTRACTING PARTIES

The Executive Secretary to the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade presents his compliments and has the honour to refer to his previous communication of 10 December 1958, in connexion with office accommodation during the Fourteenth Session.

In order to enable the Secretariat to allocate the available space in the Bâtiment Electoral and inform by the end of February 1959 the delegations concerned of the arrangements made, the Executive Secretary would appreciate if those contracting parties having not yet notified the Secretariat of their desire to have office space in the Bâtiment Electoral, would send their requests not later than 10 February 1959. It would also be appreciated if those contracting parties which are in a position to make their own office arrangements elsewhere would advise the Secretariat at an early date of such arrangements.
