The Executive Secretary of the Contracting Parties to the General Agreement on Tariffs and Trade presents his compliments and has the honour to advise that one or more procès-verbaux containing schedules to be annexed to the Protocol on new Schedule III - Brazil - to the General Agreement will be prepared for publication in one brochure in the near future. These procès-verbaux will contain the results of negotiations which were not completed in time to be included in the Protocol when it was opened for signature on 31 December 1958. One certified true copy of the procès-verbaux will be sent to the Minister for Foreign Affairs of each contracting party.

It had been the intention of the secretariat to provide these procès-verbaux at no extra charge, but unfortunately due to their size it will be necessary to make them available at cost price. There will be a printing of the authentic text of the procès-verbaux; furthermore, as soon as translations are provided for the lists of concessions contained in the procès-verbaux the secretariat will have an English and a French edition of the instruments prepared. These single language editions will be available as soon as the translations are received from the governments concerned. The price per copy (containing all the procès-verbaux in one brochure) will be two Swiss francs (or $0.50) for governments and four Swiss francs (or $1.00) for the public, for each edition (English, French or bilingual authentic text).

The secretariat presumes that governments will wish the same number of copies of the procès-verbaux as they ordered of the Protocol and despatched in the same manner; therefore, the copies of the procès-verbaux will be sent to governments on this basis and bills prepared accordingly. Any government wishing a different distribution is requested to inform the secretariat in writing before 16 February 1959, giving definite instructions as to the exact number of copies desired, if any, and to whom they should be sent, billed, etc.
