The Executive Secretary of the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade presents his compliments and has the honour to advise that the Ninth Protocol of Rectifications and Modifications to the Texts of the Schedules to the General Agreement, the preparation of which was initiated at the thirteenth session, will be published in the near future. One certified true copy of the Protocol will be sent to the Minister for Foreign Affairs of each contracting party.

In addition to the certified true copy thus forwarded the secretariat will make available additional copies of the authentic text at cost price to any contracting party which so requires. With a view to keeping the cost to a minimum, the additional copies will have to be printed at the same time as the certified copies; the price per copy will amount to 32 Swiss francs, on which contracting parties will receive the usual 50 per cent discount.

It will be appreciated if your Government could place its order by completing the attached order form and returning it to the secretariat not later than 31 July 1959. The certified and additional copies will be issued in late August.

Since this Protocol contains new schedules pertaining to Denmark, Norway, Sweden and the United Kingdom which are officially established in the English language, a French translation will be undertaken. However, the size of the Protocol is such (approximately 750 pages) that it will be impossible for the secretariat to undertake the printing of the French edition until budgetary provisions will have been obtained in the 1960 budget. Order forms for the French edition will then be circulated in due course.
