COMMENTS ON THE DOCUMENTATION

European Communities

In its Report (1986)(L/6073, paragraph 28), adopted by the CONTRACTING PARTIES at their forty-second Session in their Decision establishing the Technical Group (L/6100), the Group on Quantitative Restrictions and Other Non-Tariff Measures requested contracting parties to inform the secretariat by 31 January 1987 of any specific amendments they wished to make to the existing basic documentation and analyses.
In a communication dated 18 December 1986, the Permanent Delegation of the European Communities has submitted comments on the United Kingdom section of NTM/W/17/Add.2/Corr.1, on pages 46 and 47 of that document.

The comments fall under three headings:

A. Amendments to the basic documentation of quantitative restrictions (NTM/W/6/Rev.3);

B. Comments on notification made by other contracting parties of non-tariff measures maintained by the United Kingdom (Inventory of Non-Tariff Measures (Industrial Products));

C. Comments on the secretariat's presentation of the data in the analysis (NTM/W/17/Add.2/Corr.1).
