UNITED KINGDOM IMPORT RESTRICTIONS

Annexes to the United Kingdom Memorandum in L/89

Attached hereto is a copy of Notices to Importers Nos. 546 and 547 issued by the United Kingdom's Board of Trade, which constitute Annexes II and III to the memorandum of 22 April 1953 submitted by that Government on the recent relaxation of its balance-of-payment import restrictions, circulated as L/89. Only a limited number of copies of these have been made available and only one copy can be supplied to each contracting party. It is requested that this be forwarded to the appropriate department of your Government.
