NEGOTIATIONS UNDER ARTICLE XXVIII

Report by the Delegation of New Zealand

Corrigendum

With respect to document SECRET/123/Add.1 the delegation of New Zealand has transmitted to the secretariat the following communication dated 28 March 1966:

"I refer to the report by the delegation of New Zealand relating to negotiations under Article XXVIII concerning Schedule XIII set out in SECRET/123/Add.20.

"I have been asked to draw attention to the fact that the concessions set out in Addendum 1 are withdrawn and replaced by Addendum 19.

"The waiver to renegotiate Schedule XIII in order to introduce a new tariff was granted in 1957 but substantive negotiations on the whole tariff did not begin until the latter half of 1961. In the meantime because of tariff changes on some bound items unrelated to the introduction of the new tariff as a whole, negotiations were carried out in terms of the previous tariff with individual countries from 1957 to 1961.

"The results of the negotiations with the United Kingdom in 1960 are recorded in Addendum 1. The subsequent substantive negotiations on the new tariff, however, superseded the earlier negotiations. The results of the negotiations with the United Kingdom on the new tariff, which were completed in 1965, were set out in Addendum 19 which withdraws the concessions in Addendum 1 and includes them as new concessions in the form of the present tariff."

Document SECRET/123/Add.1 is accordingly withdrawn from the records of the negotiations."
With respect to document SECRET/123/Add.2, the delegation of New Zealand has transmitted to the secretariat the following communication dated 20 April 1966:

"We refer to the report by the delegation of New Zealand relating to negotiations under Article XXVIII concerning Schedule XIII set out in SECRET/123/Add.20.

"We have been asked to draw attention to the fact that the concessions set out in Addendum 2 are withdrawn and replaced by Addendum 18.

"The waiver to renegotiate Schedule XIII in order to introduce a new tariff was granted in 1957 but substantive negotiations on the whole tariff did not begin until the latter half of 1961. In the meantime because of tariff changes on some bound items unrelated to the introduction of the new tariff as a whole, negotiations were carried out in terms of the previous tariff with individual countries from 1957 to 1961.

"The results of the negotiations with the Federal Republic of Germany in 1960 were recorded in Addendum 2. The subsequent substantive negotiations on the new tariff were conducted with the European Economic Community and superseded the earlier negotiations with the Federal Republic of Germany. The results of the negotiations with the European Economic Community, which were completed in 1965, were set out in Addendum 18 which withdraws the concessions in Addendum 2 and includes them as new concessions in the form of the present tariff."

Document SECRET/123/Add.2 is accordingly withdrawn from the records of the negotiations.
