In the note to item ex 48.01 A (Newsprint) the first sentence is amended as follows:

**Present text:**

Ordinary white paper, not calendered, slightly sized and containing at least 50% of wood, intended for printing newspapers viz., publications which from their contents, etc., have the character of newspaper and generally appear at least every other day, is included in this number.

**New text:**

Unsized or slightly sized, uncoated paper containing not less than 60% of mechanical wood pulp and of a weight not less than 45 nor more than 60 grammes per square metre, intended for printing newspapers viz., publications which from their contents, etc., have the character of newspaper and generally appear at least every other day, is included in this number.
