GENERAL AGREEMENT ON
TARIFFS AND TRADE

ARTICLE XXVIII: 1 NOTIFICATION

Schedule XX - United States

Addendum

The Mission of the United States has informed the secretariat that the United States has decided to withdraw certain items from the list of concessions to be renegotiated as a consequence of the conversion of specific and compound duties to ad valorem duties (document SECRET/251).

In addition, two items which are not bound in GATT Schedule XX were erroneously notified in SECRET/251. Although the United States plans to proceed with the conversion to ad valorem tariffs on these items, they should be deleted from SECRET/251. These two items are:
