ARTICLE XXVIII:5 NEGOTIATIONS

Schedule LXXII - European Economic Community

Addendum

The following communication dated 3 March 1986 has been received from the delegation of the Commission of the European Communities.

Reference is made to the communications reproduced in documents SECRET/259/Add.2 of 5 August 1982 and Add.3 of 27 August 1982 concerning the results of the negotiations under Article XXVIII between the delegation of the European Communities and the delegations of Indonesia on the one hand and Brazil on the other, for the temporary modifications of concessions provided for in Schedule LXXII-EEC.

The agreements provide for the suspension of the EEC concession on tariff item No. 07.06 A for an indefinite period, it being open to either party to denounce the concession initially for 31 December 1986 and subsequently for the end of each three-year period, subject to advance notice being given no less than one year prior to the expiry of the initial period or prior to any subsequent three-year period.

As none of the parties has denounced the agreements concerned within the first time-limit for denunciation, such agreements remain in force for at least one further three-year period.

For practical purposes, the modifications to Schedule LXXII-EEC as applicable until the end of the next three-year period are reproduced in the following annex.
