HARMONIZED SYSTEM – ARTICLE XXVIII NEGOTIATIONS
Submission of Documentation
Schedule LVII - Yugoslavia

The Permanent Mission of Yugoslavia has submitted to the secretariat the documentation listed below with a view to introducing the nomenclature of the Harmonized Commodity Description and Coding System (Harmonized System), and in accordance with the Procedures for Negotiations under Article XXVIII (BISD 27S/26) and the Decision of the Council of 12 July 1983 (BISD 30S/17) outlining the procedures for the transposition of GATT concessions into the Harmonized System nomenclature.

Annex I : Existing Loose-Leaf Schedule of Yugoslavia (revised version)
Annex II : Proposed consolidated schedule of concessions in Harmonized System nomenclature
Annex III : Concordance Table from the existing to the proposed Schedule LVII - Yugoslavia
Annex IV : Concordance Table from the proposed to the existing Schedule LVII - Yugoslavia
Annex V : Yugoslav imports in 1984-1986 from principal and substantial suppliers

The Permanent Mission of Yugoslavia has already informed the contracting parties that its authorities intend to apply the Harmonized System as of 1 January 1988¹ and that only four bound items have been changed (one has been reduced and three others slightly increased). Trade data related to these items have been included in Annex V.

Yugoslavia is prepared to enter into consultations or negotiations under the relevant provisions of Article XXVIII. Any contracting party that desires consultations or negotiations on any concession is requested to communicate this in writing within ninety days to the Yugoslav Permanent Mission in Geneva, with a copy to the GATT Secretariat. It would be helpful if the tariff item numbers and the products, for which consultations or negotiations are requested, were indicated in the communication.
