Schedule XXXVII - Turkey

Addendum

The following communication dated 16 June 1989 has been received from the Permanent Mission of Turkey.

With reference to document SECRET/HS/22, which contains the documentation of Turkey for the transposition of the Customs Tariff from the CCCN to the Harmonized Commodity Description and Coding System (Harmonized System), I have the honour to enclose herewith an Addendum to SECRET/HS/22 to rectify some typing errors.

You will also find attached Turkey's proposed entries for columns 5, 6 and 7 in HS Schedule XXXVII of Turkey.

The Turkish reservations contained in the General Note to Schedule XXXVII circulated with document TAR/13 have been incorporated in the proposed HS Schedule XXXVII of Turkey.

Turkey is ready to enter into negotiations and consultations under Article XXVIII of the General Agreement in respect of initial negotiating rights and historical negotiating rights. Any contracting party which considers that it has an interest in the Turkish proposal should transmit a communication in writing to that effect within ninety days to the Permanent Mission of Turkey, with a copy to GATT Secretariat. In order to expedite the negotiations and consultations, the communication should contain an indication of the products (and tariff item numbers) on which negotiations or consultations are requested.

Corresponding revised pages for replacement in Annexes I, III and IV, and a revised proposed Schedule XXXVII - Turkey (French only) are annexed to this document.
