Annex I: The CCCN consolidated schedule of Iceland is contained in the Sixth Certification of Changes to Schedules published in 1988 (not included herewith).

Annex II: Proposed HS Schedule LXII - Iceland. The information erroneously included in column 4 will be transferred to column 6 in the final version.

Iceland is prepared to enter into negotiations or consultations under the relevant provisions of Article XXVIII. Any contracting party which considers that it has an interest in a concession should transmit a communication in writing to that effect to the Permanent Mission of Iceland with a copy to the secretariat. It would be helpful if the tariff line numbers and the products, for which negotiations or consultations are requested, were indicated in the communication.

Contracting parties are reminded that claims of interest should be made within ninety days from the date of this document.
