Schedule XXX - Sweden

The Permanent Mission of Sweden has submitted the documentation listed below, with a view to introducing the nomenclature of the Harmonized Commodity Description and Coding System (Harmonized System), and in accordance with the Procedures for Negotiations under Article XXVIII (BISD 27S/26) and the Decision of the Council of 12 July 1983 (BISD 30S/17) outlining the procedures for the transposition of GATT concessions into the Harmonized System nomenclature:

Annex I: Existing Loose-Leaf Schedule of Sweden (revised January 1986)
Annex II: Proposed Loose-Leaf Schedule of Sweden
Annex III: Cross Reference from the Existing to the Proposed Schedule
Annex IV: Cross Reference from the Proposed to the Existing Schedule
Import Statistics (by country)
Explanatory Notes

In Annex III there is an asterisk (*) in the column "Rate of Duty-Proposed Schedule" beside the proposed rate(s) when differing from the existing rate(s).

Sweden is prepared to enter into negotiations or consultations under the relevant provisions of Article XXVIII. Any contracting party that desires negotiations or consultations on any concession is requested to communicate this in writing to the delegation of Sweden, with a copy to be sent to the secretariat. It would be helpful if the tariff line numbers and the product descriptions (abbreviated), for which negotiations or consultations are requested, were indicated in the communication.

Contracting parties are reminded that claims of interest should be made within ninety days from the date of this document (see paragraph 4 of the Procedures for Negotiations under Article XXVIII).
