Dear Sir,

For the purpose of preparing the Seventh Annual Report, required under Article XIV:1(g) of the General Agreement, on the discriminatory application of import restrictions, the CONTRACTING PARTIES at their Tenth Session adopted a new questionnaire to be answered by all contracting parties applying restrictions under Article XII. It was requested that such replies should be sent, three copies by air mail and fifty copies by surface mail, to the Executive Secretary three months prior to the opening of the Eleventh Session, i.e. by 11 July 1956. The text of that questionnaire will be found in Basic Instruments and Selected Documents, Fourth Supplement, pages 65-68.

So far we have not received a reply from your Government. In view of the importance of having the requested data at an early date both for the preparation of a draft report and for circulation to the other contracting parties, it would be much appreciated if you could assist us by bringing this matter to the attention of the appropriate department of your Government.

Yours faithfully,

J. Royer
Deputy Executive Secretary
