NOTE BY CHAIRMAN

Tariff of Rhodesia and Nyasaland

In view of the discussion which took place at the last meeting on the question of the Rhodesia and Nyasaland Tariff, I think it might be helpful to set down in writing and in somewhat more formal language the suggested conclusion of that discussion which is to be further considered at today's meeting.

"HAVING CONSIDERED the request of the Government of the Federation of Rhodesia and Nyasaland contained in document L/519 dated 10 September 1956, and in the light of the further explanations and assurances given by the representative of the Federation in the course of the discussions at the ... meetings of the Eleventh Session,

THE CONTRACTING PARTIES

RESOLVE that the action proposed by the Government of the Federation of Rhodesia and Nyasaland to apply the tariff of the Federation, including the tariff preferences therein, uniformly over the whole area of the Federation, shall be deemed to come within the terms of the Decision of 3 December 1955 relating to the completion of adjustments in the tariff of the Federation and that any action taken by the Federation in this respect should accordingly be subject to the procedures of that Decision".
