Secretariat Proposal for Distribution

of Consolidated Offers Lists

The secretariat should be instructed as follows:

1. All participating governments which have qualified for the receipt of consolidated offers lists should receive the offer list of the European Coal and Steel Community.

2. The secretariat shall give to the representative of the European Coal and Steel Community the consolidated offers list of each such country, where the delegation of that country has agreed to such distribution.

3. Where a delegation has not agreed to the distribution referred to in paragraph 2 above, the secretariat, in consultation with the country concerned, with a designated representative of the Member States of the European Coal and Steel Community and with the delegation of Austria, shall attempt to work out a mutually satisfactory method of providing to the representative of the European Coal and Steel Community the information concerning that country's offers which are required by the Coal and Steel Community in order to carry out its mandate.
