MEMORANDUM

Ref.: III-2-2

TO: Leaders of delegations, 1956 Tariff Conference

FROM: The Executive Secretary

SUBJECT: Occupation of offices in the Palais des Nations

In document TN.56/INF/1 contracting parties participating in the 1956 Tariff Conference were informed of the office space which would be made available to them. At the same time mention was made that the situation would have to be reviewed at the end of March.

The European Office of the United Nations is prepared to leave at the disposal of the delegations the present office space until the end of April, but this space will have to be vacated no later than 27 April 1956 in order to prepare it for occupation by the Ninth World Health Assembly.

In view of this situation I would be grateful if you could inform me no later than 29 March of the strict minimum office requirements your delegation will need after the end of April. On the basis of this information I shall examine with the local authorities whether it would be possible to obtain office space outside the Palais des Nations. If such offices can be obtained, the rent in any case will be substantially higher than in the Palais.
