By letter dated 16 June 1959 the Government of Cuba has transmitted the following documents to the secretariat where they are kept on file and can be consulted. Interested contracting parties wishing to have copies of their own should request them from the Ministerio de Estado, Dirección de Asuntos Económicos Internacionales, Dirección de Convenios y Tratados Comerciales, in Havana.

(1) The new nomenclature for Chapters 50 to 63 of the new customs tariff relating to textiles and manufactures thereof, which replaces the same chapters as originally published in the Official Gazette of 28 June 1958.

(2) The part of the Table of Correlation, Volume I, referring to textiles and manufactures thereof in conformity with the modifications to chapters 50 to 63 referred to in (1) above.

(3) The modifications and rectifications made to date to the items and sub-items of the 1958 tariff other than those included in (1) above (i.e. to chapters 1 to 49 and 64 to 100).

(4) The modifications and rectifications made to date to the Table of Correlation, Volume I, which are not included in (2) above (i.e. to Chapters 1 to 49 and 64 to 100).

(5) The Table of Correlation, Volume II, giving the cross references of the items and sub-items of the 1958 customs tariff to the 1927 customs tariff. (Volume I contains the cross references of the 1927 tariff to the 1958 tariff.)

(6) The tables of Notification of Changes Proposed in Part II of Schedule IX - Cuba. These tables have been drawn up on the basis of the model contained in Spec/320/58 (see TNC/1).

By letters dated 10 and 13 July 1959 the Government of Cuba has sent to the secretariat three additional documents which contain rectifications and modifications to be made in the documents mentioned above under (2), (4) and (5).

Finally, the Cuban Government draws attention to the fact that on page 3 of document SECRET/101/Rev.1/Add.1 the sub-heading should read "Preliminary list of textile and textile manufactures items bound in Part II of Schedule IX..." instead of "Part I of Schedule IX".

The Cuban Government is preparing the English text of the new customs tariff and of Volume I of the Table of Correlation. Contracting parties will be informed as soon as these are available.
