TIME-TABLE FOR THE CONSULTATIONS ON
BALANCE-OF-PAYMENTS RESTRICTIONS IN 1960

Revised Proposals

In the light of comments received from various delegations on the proposed time-table set out in Spec(59)298 and taking account of the requirements of the general programme of work of the CONTRACTING PARTIES in 1960, the secretariat has drawn up the following revised time-table.

Insofar as possible, the desires expressed by the delegations concerned have been taken into account. The dates have been proposed with due regard also to the programme of consultations conducted by the International Monetary Fund under its Articles of Agreement. It is hoped that this time-table can be accepted by all the contracting parties concerned. In case there should be any special difficulty, the delegation concerned is kindly requested to contact the secretariat (Trade Policy Division, Ext.829) as soon as possible.
