Sir,

I have the honour to refer to my letter of 2 June 1961 informing you of the instruction received by the United States representative to sign the Declaration Giving Effect to the Provisions of Article 1:4 of the General Agreement on Tariffs and Trade, done at Geneva on 19 November 1960, accompanying his signature with a statement.

The Government of the Federation of Rhodesia and Nyasaland has made the following comment in a letter received by me on 27 June 1961:

"I am instructed to inform you as depository of the Declaration, that the Federal Government of Rhodesia and Nyasaland accepts the signature of the United States representative to the Declaration... although the signature will be accompanied by the statement quoted..., but that the Federal Government of Rhodesia and Nyasaland, in so doing, reserves its attitude towards the importation into the Federation of goods of United States origin to which the circumstances described in the United States representative's statement apply."

Accept, Sir, the assurances of my highest consideration.

E. Wyndham White
Executive Secretary
