Insert after paragraph 14, new paragraph as follows:

"The Hungarian delegation stressed that Greece was one of its country's most important export markets. It expressed its country's serious concern about the possibility that the accession of Greece to the Community might adversely affect Hungary's beef export to that country. The Hungarian delegation also expressed its view that the IMC was competent to deal with all problems facing international trade in beef, including those stemming from Greece's accession to the EEC."

This paragraph will be numbered "15" and consequential changes will be made in the numbers of the paragraphs following.
