(a) At the end of the fifth line add the following sentence: "The Working Party recalled past discussion of the question of the relationship between Article XXIV and import restrictions."

(b) Delete the paragraph beginning at the sixth line and replace it by the following two paragraphs:

"In this connexion, the representatives of Israel and Japan took the opportunity to inform contracting parties of the bilateral consultations they were conducting with Italy under paragraph 1 of Article XXII.

"The administration of the restrictions was also discussed by the Working Party, and certain views were expressed which the Italian representatives undertook to convey to the attention of the competent authorities."

(c) After the word "importance" in the sixth line of the penultimate paragraph of Mr. Sward's statement insert the following sentence:

"This declaration, as well as the measures announced by the Italian representative, were welcomed by the Working Party."
