SUMMARY RECORD OF THE SEVENTH MEETING

Addendum

The following statement by Mr. GAUHAR (Pakistan) should be inserted on page 99 between the statements of Mr. DATSON (New Zealand) and Mr. HAGUIWARA (Japan).

"Mr. GAUHAR (Pakistan) said that since the tenth session of the CONTRACTING PARTIES, Pakistan had been supporting Japan's case. He expressed the hope that countries which had found it necessary to invoke Article XXXV would find it possible, if not immediately, at least in the very near future, to disinvoke the Article which was doing considerable harm to the development of the trade of a very friendly country."
