Corrigendum

Page 1, third paragraph

In the last sentence replace the words:

"French delegation"

with

"Member States and the High Authority".

Page 8, second paragraph of Mr. Philip's statement

Delete from the fourth sentence to the end of the paragraph, and replace with the following:

"There was also the question of agreements for exports, which would be divided into a problem of law and one of fact. Only the latter aspect should be examined. The Working Party should examine only whether the prices resulting to third markets from such agreements were equitable. The High Authority had studied this problem which fell within its jurisdiction rather than that of the Member States".
