TROPICAL PRODUCTS - BACKGROUND INFORMATION

Note by the Secretariat

1. The guidelines for the organization of negotiations on tropical products note, in paragraph 2(iv), that the secretariat would provide such background information as may be needed in connexion with commercial policy measures including, inter alia, trade policy developments covering recent agreements affecting tropical products.

2. In this connexion, copies in English and French of the ACP-EEC Convention of Lomé have been made available on an informal basis and may be consulted in the secretariat by any delegation wishing to do so.
