Committee on Tariff Concessions

LOOSE-LEAF SYSTEM FOR THE SCHEDULES OF TARIFF CONCESSIONS

Country Abbreviations

Addendum

The following abbreviation should be added to the list contained in document TAR/W/5:

European Communities CE

Since it is essential to indicate the number of countries that were members of the European Communities at a given time, it is recommended to use CE6 for the European Communities when there were six member States, and CE9, when there were nine, etc.

The following abbreviations should be used for certain countries or entities to which concessions have been granted in past negotiations:

Benelux EX
China CN
Liberia LR
Lebanese-Syrian Customs Union LB/SY

In addition, the secretariat has just been informed by ISO that the abbreviation adopted for Kiribati is KI.
