Dear Ambassador,

In connection with the European Economic Community's Agreement on trade in textile products with Thailand negotiated under Article 4 of the Arrangement and initiated on 7 July 1982, I have to inform you of the following.

During the course of 1984 imports of women's, girls' and infants' woven suits and costumes (category 29) from Thailand into the United Kingdom exceeded 41,000 pieces, being the level at which the Community could ask for consultations with a view to establishing a regional limit under the provisions of Article 8 of the Agreement. The Community being of the view that there was real risk of market disruption in this case, the two sides consulted on 15 October 1984 in pursuance of Article 17 of the Agreement. As a result of these consultations, and in conformity with the provisions of the Agreement, Thailand agreed to limit its exports as follows.

Yours sincerely,
