Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body of the establishment of two additional specific limits and, thereby, the amendment of the cotton, wool and man-made fiber textile agreement between the Government of the United States of America and the Government of Singapore.

The two new limits replace previous consultation levels and have five percent growth as set out below. They attract seven percent swing and 11/6 percent carryover/carry forward.
