Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body that new restraints have been established on 5 products pursuant to the consultations procedures set out in paragraph 12 of the cotton, wool and man-made fiber textiles agreement between the Government of the United States of America and the Government of Indonesia.

These new restraints, which are set out in the attachment to this letter, were sought in order to address a real risk of market disruption with respect to the products concerned.

Sincerely,

Robert E. Shepherd
Minister-Counselor
