The Honorable
Ambassador Marcelo Raffaelli
Chairman, Textiles Surveillance Body
GATT
Rue De Lausanne 154
1211 Geneva

Dear Ambassador Raffaelli:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body of an extension and amendment of the bilateral textile agreement between the Government of the United States of America and the Government of Bangladesh.

This amendment establishes new specific limits for three products (with sublimits for two of them) and extends all previously established specific limits through January 31, 1989. Two of the new restraints (categories 641 and 647/8) were sought by the United States pursuant to Article 3.3 of the Arrangement to deal with problems of market disruption. With respect to the third category (336), the U.S. raised the issue in connection with real risk of market disruption at the January consultations on other categories.

The three new restraints receive 6% growth, 6% swing and 11/6% carryover/carryforward, and Categories 641 and 647/648 are also granted additional special shift (swing).

Marcelo Raffaelli

The United States and Bangladesh exchanged notes in Washington, D.C. to amend their bilateral textile agreement. Text of the notes follow.

UNITED STATES NOTE

March 25, 1987

Excellency:

I have the honor to refer to the Arrangement Regarding International Trade in Textiles, done at Geneva on December 20, 1973, and extended by Protocol adopted July 31, 1986 at Geneva (the Arrangement), and to the Agreement between the United States of America and the People's Republic of Bangladesh relating to trade in certain apparel categories effected by exchange of notes on February 19 and February 24, 1986 in Washington, D.C., and to consultations held in Dhaka January 20-22, 1987 between the Governments of the United States and the People's Republic of Bangladesh concerning Bangladesh exports of apparel to the United States.

As a result of these discussions, I have the honor to propose on behalf of my Government, the following amendment to the Agreement:

For more information contact: EB/TEX: ANNE JILLSON (202) 647-1996
(1) All current specific limits will be continued for an additional year, through January 31, 1989, with six percent annual growth.

(2) A sub-limit for cotton blouses made of yarn-dyed fabrics within Category 341 shall be established at 35 percent of the base limit for each agreement year.

(3) The following specific limits shall be added to the agreement:

(With sub-limit of 35 percent for man-made fiber blouses made of yarn-dyed fabrics)

| 647/648      | 200,000 doz. | 636,000 doz. | 674,160 doz. |

(With sub-limit of 65 percent for long trousers and slacks)

(4) In addition to regular flexibility, Categories 641 and 647/648 shall have special shift in dozens of 15 percent from any other specific limit except Category 331.

It was also agreed that the United States Government will rescind its request for consultations under Article 3 of the Arrangement for Category 337/637, but reserves its right to request consultations in the future should the situation warrant. This request for consultations on Category 337/637 is hereby rescinded.
Should any difficulties arise concerning the classification by the United States Government of blouses made of yarn-dyed fabrics within Categories 341 and 641, both Governments agree to consult to resolve this matter as soon as possible.

If this proposal is acceptable to the Government of the People's Republic of Bangladesh, this note and your Excellency's note of confirmation shall constitute an amendment to the Agreement between our two Governments.

Accept, Excellency, the renewed assurances of my highest consideration.
