Dear Ambassador

In connection with the European Economic Community's Agreement on trade in textile products with Indonesia negotiated under Article 4 of the Arrangement and initialled on 28 June 1986, I have to inform you of the following.

During the course of 1988 imports of T-shirts and knitted shirts (Category 4) from Indonesia to the Community exceeded 3,553,000 pieces, being the level at which the Community could ask for consultations with a view to establishing a limit under the provisions of Article 8 of the Agreement. The Community being of the view that there was a real risk of market disruption in this case, the two sides consulted on 31 January/1 February 1989, in pursuance of Article 16 of the Agreement. As a result of these consultations, and in conformity with the provisions of the Agreement, Indonesia agreed to limit its exports to the Community as follows:

*) This annual level for 1988 is to be applied from 23 November - 31 December 1988.

These new limits contained in the Agreed Minute annexed to this letter are herewith communicated under Article 4, paragraph 4 of the Arrangement, as a modification to the Community's Agreement with Indonesia.

Yours sincerely
