III. A new paragraph 5 shall be added to the Agreement titled: "Group III - Specific Limits (SLS)". The new paragraph shall read:

(A) The categories in Group III are those listed in Annex D which Haiti intends to export to the United States, which are not eligible for the Caribbean Basin Textile Special Access Program, and which are subject to specific limits.

(B) I) Specific limits listed in Annex D do not include any adjustments permitted under this paragraph.

II) During any agreement period, any specific limit may be exceeded by not more than six (6) percent swing, provided that a corresponding reduction in square meter equivalent units is made in other specific limits during the same agreement period.

(C) I) The extent to which any specific limit may be exceeded by carryforward (borrowing a portion of the corresponding specific limit from the succeeding agreement period) and/or carryover (the use of any unused yardage - shortfall - of the corresponding specific limit for the previous agreement period) is eleven (11) percent, of which carryforward shall not constitute more than six (6) percent.
II) No carryover shall be available for application in the 1990 agreement period. No carryforward shall be available for application in the 1993 agreement period.

(D) For the purposes of this Agreement, a shortfall in a specific limit occurs when exports of textiles or textile products of Haiti to the United States during any agreement period are below the applicable specific limit as set out in Annex D or, in the case of any limit decreased pursuant to the provisions of this paragraph, when such exports are below the specific limit as decreased.

(E) Subject to the provisions of sub-paragraphs 5(B), 5(C), and 5(D) above, the Government of the United States may apply flexibility under this paragraph to specific limits on any category or product whenever that adjustment appears appropriate to facilitate the flow of trade and sound administration of the Agreement. To the extent that such adjustments are actually utilized they will be implemented by means of carryover and carryforward in that order. Any unused flexibility will be re-credited to the donor limit. This procedure will not prejudice the outcome of any consultations between our Governments concerning the amounts of flexibility available.
**UNITED STATES NOTE**

IV. The existing paragraphs 5 through 18 will be renumbered 6 through 19. The heading for the new paragraph 6 will read: "Group IV - Other Categories and Products".

V. Annex B shall be amended to read:

<thead>
<tr>

La Chancellerie informe cette Ambassade que le Gouvernement de la République d'Haïti juge acceptables les modifications proposées à l'Accord sus-cité.

Cependant cette Ambassade voudra bien noter que la partie haitienne a relevé deux erreurs ou omissions dans le texte proposé.

-La première concerne l'allocation au titre de la catégorie 341/641 pour l'année 1991. Alors que l'estimation américaine pour cette catégorie se chiffre à 407.000 douzaines, l'estimation haïtienne est de 407.040 douzaines pour ladite année, soit un manque à gagner de 40 douzaines pour Haïti.

Ambassade des États-Unis d'Amérique en Haïti
HAITI NOTE

- La seconde a trait au paragraphe V redéfinissant l'annexe B où la catégorie des gants en coton (cotton gloves) entre dans le code numérique 331.

La Chancellerie apprécierait que cette Ambassade lui communique, dans le meilleur délai, les réactions des autorités américaines en ce qui a trait aux remarques faites par la Partie Haïtienne.

Le Ministère des Affaires Étrangères saisit cette occasion pour renouveler à l'Ambassade des États-Unis d'Amérique en Haïti l'assurance de sa haute considération.

Port-au-Prince, le 19 novembre 1990.

Ministry of Foreign Affairs

Embassy of the United States of America
No. EC/770

The Ministry of Foreign Affairs presents its compliments to the Embassy of the United States of America in Haiti and has the honor to refer to its Note No. 260 of July 18, 1990, transmitting the proposals of the U.S. Government for the amendment to the Haitian-American Textile Agreement of September 26, 1986.

The Ministry wishes to inform this Embassy that the Government of the Republic of Haiti considers the proposed amendments to the aforementioned agreement acceptable.

However, the Embassy should note that the Haitian party has detected two errors or omissions in the proposed text.

The first concerns the allocation under category 341/641 for 1991. While the U.S. estimate for this category is 407,000 dozen, the Haitian estimate is 407,040 dozen for that year. This represents a loss of 40 dozen for Haiti.

Embassy of the United States of America,
Haiti.
HAITI NOTE

The second concerns paragraph V, redefining Annex B, where the category cotton gloves appears without the numerical code 331.

The Ministry would be grateful if the Embassy could inform it of the reaction of the U.S. authorities to the comments made by the Haitian party as soon as possible.

[Complimentary close].

[Ministry stamp]
The Embassy of the United States of America presents its compliments to the Ministry of Foreign Affairs of the Republic of Haiti and has the honor to refer to the Ministry's note EC/770 dated November 19, 1990 which agrees to the U.S. Government proposed modifications of the Textile Agreement and which also refers to two errors or omissions.

The Embassy agrees with the remarks made by the Ministry of Foreign Affairs and kindly requests that a) the level for category 341/641 read 407.040 dozen for the year 1991 instead of 407.000 dozen; b) that category code number 331 be inserted before the cotton gloves description in paragraph V redefining Annex B.

The Embassy of the United States of America considers that its notes and that of the Ministry of Foreign Affairs of the Republic of Haiti constitute an amendment to the Agreement between the Government of the United States of America and the Government of the Republic of Haiti.
UNITED STATES NOTE

The Embassy of the United States of America takes this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Haiti the assurances of its highest consideration.

Embassy of the United States of America,
