Dear Ambassador Raffaelli:

Pursuant to (i) Articles 7 & 8 of the Arrangement Regarding International Trade in Textiles (MFA), done at Geneva on December 20, 1973; (ii) the Protocol extending the MFA, done at Geneva on July 31, 1986; and (iii) the Protocol Maintaining in Force the MFA, done at Geneva on July 31, 1991, I have the honour to notify you that, through bilateral negotiations, an extension to the existing bilateral Arrangement between the Governments of Canada and the Czech and Slovak Federal Republic has been agreed. A copy of the agreed record of discussions is attached.

Exports to Canada of Czech and Slovak products covered by the bilateral Arrangement are subject to restraint through December 31, 1992. In addition, Annex I of the bilateral Arrangement has been replaced by the new annex appended to the agreed record of discussions.

As noted in the agreed record of discussions, this extension is without prejudice to any agreement which may be reached as a result of the current Multilateral Trade Negotiations.

Yours sincerely,

John F. Donaghy, Counsellor
Canada - Czechoslovakia Consultations

Agreed Record of Discussions, December 18, 1991

2. During these discussions, it was agreed that the Arrangement would be extended for one year beyond its current date of expiration of December 31, 1991, and that accordingly it would remain in effect for the period of January 1 to December 31, 1992.

3. For the period of extension of the Arrangement during 1992, the attached Annex would replace Annex I of the original Arrangement.

4. The agreement on extension of the Arrangement would be without prejudice to any conclusions which may be reached respecting international trade in textiles and textile products in the framework of the Multilateral Trade Negotiations (the Uruguay Round).
