SUISSE  

Dear Ambassador Raffaelli:

Pursuant to (i) Articles 7 & 8 of the Arrangement Regarding International Trade in Textiles (MFA) done at Geneva on December 20, 1973; (ii) the Protocol extending the MFA done at Geneva on July 31, 1986; and (iii) the Protocol Maintaining in Force the MFA done at Geneva on July 31, 1991, I have the honour to notify you that the Governments of Canada and the Republic of South Africa have agreed to extend their existing bilateral Memorandum of Understanding relative to exports of South African textiles and textile products for import into Canada (MOU). The relevant exchange of diplomatic notes is attached.

Exports to Canada of South African products covered by the MOU are subject to restraint through December 31, 1992. Otherwise, the terms of the MOU, including those relative to growth rates and flexibility, remain unchanged.

As noted in the exchange of diplomatic notes, this extension is without prejudice to any agreement which may be reached as a result of the current Multilateral Trade Negotiations.

Yours sincerely,

John F. Donaghy  
Counsellor
The Department of Foreign Affairs of the Republic of South Africa presents its compliments to the Canadian Embassy and has the honour to refer to the Embassy's Note No. 101 of 12 September 1991 and this Department's Note Verbale 142/1/5 dated 3 July 1991 concerning the Uruguay Round of GATT Negotiations and the Memorandum of Understanding between the Government of Canada and the Government of the Republic of South Africa relating to the export from South Africa of certain textiles and textile products for import into Canada.

The Department wishes to advise the Embassy that the South African authorities agree to the proposal by the Canadian authorities that the current Memorandum of Understanding between Canada and the Republic of South Africa relating to textiles and textile products be extended for one year with the understanding that all terms and conditions, including growth rates and flexibility provisions, will apply to such an extension.
The Department of Foreign Affairs of the Republic of South Africa avails itself of this opportunity to renew to the Canadian Embassy the assurance of its highest consideration.

NOTE NO. 101

The Canadian Embassy presents its compliments to the Department of Foreign Affairs of the Republic of South Africa and has the honour to refer to the former’s Note No. 016 of 12 March 1991 proposing that the Memorandum of Understanding between the Government of Canada and the Government of the Republic of South Africa relating to the export from South Africa of certain textiles and textile products for import into Canada (MOU) be extended to December 31, 1992.

Given the decision of the UNCTAD Textiles Committee to extend the arrangement regarding international trade in textiles (NFA) until December 31, 1992, the expiry of the current MOU at the end of this year is causing considerable uncertainty in the textile and clothing industries in both Canada and South Africa. In order to minimize any uncertainty in trade in textiles and clothing between South Africa and Canada and given the need to maintain protection for the domestic textile industry in Canada, Canadian authorities wish to reiterate their proposal that the MOU governing our bilateral textile trade be extended for a period of one year, until December 31, 1993. This extension would apply to all terms and conditions contained in the current MOU, including growth rates and flexibility provisions. The extension will be without prejudice to any changes which may be negotiated in the Uruguay Round governing textile trade beyond 1991. Canadian authorities would appreciate an early response to this proposal.

The Canadian Embassy avail itself of this opportunity to reiterate to the Department of Foreign Affairs of the Republic of South Africa the assurances of its highest consideration.
