Dear Mr. Ambassador,

Pursuant to Article 4:4 of the Arrangement regarding International Trade in Textiles as extended by the 1986 and 1991 Protocols, I am pleased to notify the Textiles Surveillance Body of certain amendments of the current bilateral textile Agreement between the Government of the Kingdom of Norway and the Government of Romania.

The agreement has been extended to 31 December 1993.

The restraint for one category, category 5, has been abolished.

One new products category, category 70, netting and nets, has been covered and restrained at 14 000 kg. The restraint has been agreed to avoid market disruption or risks thereof in Norway, while ensuring an orderly development of exports to Norway from Romania.

Imports of category 70 products from Romania have developed as follows:

1990 ................................................. 0 kg
1991 ................................................. 1015 kg

The annual growth rate for netting and nets was agreed at 3 %. Swing is available at 3 %. Carryover and carryforward are set at 10 % and 5 % respectively. With respect to growth and flexibility provisions, reference is made to Article 1, Paragraph 2 and Annex B, Paragraph 2 of the Arrangement.
For 1992, certain uplifts have been agreed for the remaining categories. Annual growth rates have been increased from 1% to 3%. Swing has been increased from 2.5% to 3%. Carryover and carryforward, previously set at 8% and 5%, are now 10% and 5%. The limit on total flexibility has been abolished.

Please find enclosed a copy of the Agreed Minutes from the consultations between the two parties.

Yours sincerely,
