Dear Sir,

RE: FIJI - RESTRICTIONS UNDER THE
MULTIFIBRE ARRANGEMENT

In accordance with the obligation emanating from Fiji's accession to the Arrangement on the International Trade in Textiles in June 1991 you are hereby kindly informed that the Fiji government presently does not impose any restraint or quantitative restriction on garments imported into or exported from the country.

The tariffs applicable on all categories of garments are generally low and range from duty free to 25% while tariffs on textile fabrics are set at 10%.

I sincerely hope this formal notification has sufficiently addressed our pending obligations under the Arrangement.

Yours faithfully,
